

Celebrating 50 years of Engineering Education
Jorhat Engineering College

Jorhat Engineering College, the premier institution of the North East India and the second Government Engineering College of Assam is heading for a milestone of fifty years of relentless service to the nation. The glorious journey of JEC that began on 10th October, 1960 with admission of the first batch of students in Civil Engineering, currently offers the B.E. courses not only in Civil, Electrical, Mechanical, Computer Science & Engineering and Instrumentation Engineering but also the post graduate courses in Computer Application and Mechanical Engineering.

With the blessings of all well wishers of JEC as our patrons, advisers, mentors, friends, partners, allies and associates; the inaugural function of Golden Jubilee of JEC is organized by JECSU on October 10, 2010 when the TRAINING AND PLACEMENT CELL OF JEC that has been constructed with the financial support of NRL will also be inaugurated for the services of the 1350 students of the college.

JECSU cordially requests your help, support and active participation in all possible ways, to make the celebration a grand success. Thanking you.

Yours sincerely
